Workforce Disaster Recovery**

Let us support you
if you need
assistance!

LDR Project

Focus is on developing educational and employment assistance programming that can provide clients and participants with a comprehensive view of how to improve life (personal, business, workforce, other) when dealing with the COVID pandemic and other disasters.

What We Offer

**Educational Programming
and Employment Assistance
for those impacted by the
COVID-19 Pandemic**

LA Disaster Recovery Conference: A Time of Hope and Renewal

The virtual Conference was held on March 23, 2022. See our conference webpage to access the free video recordings of 9 outstanding presentations on a variety of topics. We had 23 fantastic professional speakers.
